  - [Professor's Profile](#)
- Cell Biology and Neuroscience
  - [Department's Website](#)
  - [Professor's Profile](#)
- Cellular and Molecular Pharmacology
  - [Department's Website](#)
  - [Professor's Profile](#)
- Epidemiology and Environmental Health
  - [Department's Website](#)
  - [Professor's Profile](#)
- Forensic Medicine
  - [Department's Website](#)
  - [Professor's Profile](#)
- Host Defense and Biochemical Research
  - [Department's Website](#)
  - [Professor's Profile](#)
- Immunology
  - [Department's Website](#)
  - [Professor's Profile](#)
- Infection Control
  - [Department's Website](#)
  - [Professor's Profile](#)
- Microbiology
  - [Department's Website](#)
  - [Professor's Profile](#)
- Molecular and Cellular Biochemistry
  - [Department's Website](#)
  - [Professor's Profile](#)
  - Not currently accepting applications
- Molecular and Cellular Parasitology
  - [Department's Website](#)
  - [Professor's Profile](#)
- Neurophysiology
  - [Department's Website](#)
  - [Professor's Profile](#)
- Organ and Cell Physiology
  - [Department's Website](#)
  - [Professor's Profile](#)
- Pathology and Oncology
  - [Department's Website](#)
  - [Professor's Profile](#)
- Public Health
  - [Department's Website](#)
